PROFESSIONAL EXPERIENCE

Software Developer & Implementer | Rajlaxmi Solutions Pvt Ltd | March 2025 – Present

- Lead developer and functional consultant on multiple ERPNext projects covering HRMS, Payroll, Buying, Selling, Manufacturing, and Stock modules.
- Managed full project lifecycle from requirements gathering and scoping to customization, implementation, user acceptance testing, and training.
- Collaborated with cross functional teams to integrate business processes, optimize database queries, and enhance system performance.

Software Developer | NestorBird | December 2024 – February 2025

- Developed and customized ERPNext modules (HRMS, Payroll, Buying, Selling, Manufacturing, Stock), delivering feature enhancements on aggressive timelines.

Software Developer Intern | NestorBird | June 2024 – December 2024

- Supported senior developers in implementing ERPNext customizations and debugging existing apps; gained exposure to Frappe framework best practices.

PROJECT HIGHLIGHTS

Resume Parser for ERPNext | Personal Project (June 2025)

- Built a custom Frappe app that automatically creates Job Applicant records when a PDF resume is uploaded, parsing key details into ERPNext fields to streamline recruitment workflows.

HR Management System – Overtime Automation | Rajlaxmi Solutions (April 2025)

- Designed and implemented an overtime calculation feature based on employee checkin and check out data, improving payroll accuracy and reducing manual effort.
